

# Acquisition Instinct

Which gives you so much of ego, and is now ending up into something which is very cheap, vulgar and immoral... into things which are rotten, putrefying and fermenting... into dirty smells that people are used to... that even if they go to Hell, they won't feel bad because the smell will be the same... into drugs and false gurus... into complete immoral life... into art which has gone into perversion... into a society with no Mariadas. Which leads you to aggress others (920621); But Kundalini kills that acquisition... by giving you joy (920621)
