Is one of the things that is against one's Dharma, and can spoil the void area in the stomach (781005); In the Old Testament, it is written "Thou shalt not commit adultery", but Christ has made it even subtler, because he is at Agnya controlling the eyes, and so he said "Thou shalt not have adulterous eyes" (920209); The relationship of a daughter, of a sister, of a mother is a very pure relationship; If we put our attention onto Mother Earth, if we look at the green of Mother Earth, then we will be saved from the errors of adultery... of looking at others' sisters, wives or daughters (850901); Adultery is a general word, and means impurity - when there is innocence, there is no impurity (850000.1); One has to try to get very pure eyes... thou shalt not have adulterous eyes... this is what we have to follow... all of us... and our attention has to be alright... for that this Raksha Bandhan is a very good thing (860818)

It is not permitted to have adulterous life in any religion whatsoever... because adulterous life brings forth all kinds of problems for the sex... for spoiling the last chakra - people can become impotent... or, over excited... or could become suffering from all the troubles of this centre... for which you know the diseases... so one has to lead a very clean wonderful married life. When I say this in the west, people really don't like it... but I am your Mother... I have to tell you the truth. Whatever you have done is done... finished... doesn't matter... but now you should come to your sanity... because there are all these horrible satanic diseases waiting just to work it out (821008)

When you put your eyes on somebody who belongs to someone else, then you are thieving. In the registration office, it is said... that you are the wife of such and such... then... your husband is the owner... or... you are the owner of your husband... I mean this relationship is between the two... but if some sort of a relationship is to be established like a thief... then you do it secretly... you cannot do it openly... it is not registered anywhere... you understand my point (791202.3)

Sahajvidya - Adultery

There's a negativity we can call it Adharma... which is fighting... so you stand on your Dharma... unless and until you are dharmic, you cannot have any achievements in Sahaja Yoga. I have seen people who are say abroad... and they have funny ideas... and they will come and tell... 'Mother, I have a wife, but I am in love with another woman... so what should I do'... I said... 'you get out... that's all... just get out'... or the wife might say... 'Mother, I am having relations with another man... and what should I do'... I said... 'you get out... that's all... you get out of Sahaja Yoga... you are no good for Sahaja Yoga... and Sahaja Yoga is no good for you (010321)
