

# Agnya Chakra - Aspect or Deity

Where the two chiasma cross... at that point, the Deity is our Lord Jesus Christ... he is in the centre itself of this Agnya... outside he is represented... in front... in the centre... as Kartikeya... and at the back is represented as Shri Ganesha... and he has eleven destroying powers... the Ekadesha Rudra; The centre controlled by Christ, who is the Incarnation of Shri Ganesha, and is also known as Mahavishnu, whereby the two balloons of ego and superego (conditioning) get sucked in, creating the space for the Kundalini to pass.

Christ... who came 2000 years back, the greatest Incarnation, the Son of God, the Innocence, who came to this Earth to give the knowledge of the Eternal Life, so we might ascend. Who sits at the 'Gate' to the Limbic area... the 1000 petalled Sahastrara; Who came to show that Spirit is eternal; The Son of God, who was crucified. Who cannot be killed or destroyed, who never dies, who passes through death; Who is nothing but Chaitanya, just made of vibrations, and that is why He was resurrected, and also how He walked on the water.

Christ was nothing but Pranava, this integrating power, this great power which has all the powers in it... the Iccha Shakti... the Prana Shakti... and the Dharma Shakti... all these put together... he was nothing but energy; He was the only one that had no earth element in him. He was the All Pervading Power; He was Omkara, the incarnation of Innocence, who led such a pure, Holy and auspicious life; Who was the incarnation of Tapasya, whose essence was Tapasya, and who was a sinless personality. Whose power was Omkar, was Pranava; The 'Principle' and 'Support', the 'Essence' of Creation... Who is the support of all the Universe.

Who talked of Ascent and Resurrection; The Son of the Trinity, God Almighty being the Father, and the Holy Ghost being the Primordial Mother; Who resides at the Optic Thalamus, on the Agnya, and sucks in the ego and superego - the mantra for the Agnya, the sixth chakra, is the Lord's Prayer, but the Bija mantra is Hum Kshum; Who was named after Shri Krishna who was the Father... and was thus called Christ, because in Indian language he is called Krista... Krishna means the one who has sown the seed.

## Agnya Chakra - Aspect or Deity

Christ, who is the Incarnation of Shri Ganesha... who in his destroying incarnation known as Mahavishnu, or Kalki, is situated on our foreheads, and is coming for the Last Judgement, when every human being is going to be sorted out... but those who have got Realisation will enter into the Kingdom of God.

Who has taken the sins of human beings upon himself. He was the 'lamb' of the sacrifice. He drove the 'spirits' into the pigs, and showed that we should have nothing to do with the dead... with the 'spirits'; Who controls all the 3 powers. By one power he controls the superego, the devils, the spirits... if the cross is shown, the spirits run away. He controls the ego, and he controls the dharma, by which he makes us rise.

Christ forgave those who attacked him, but he would not have forgiven anyone who attacked the Mother, the Holy Ghost, the Adi Shakti; Who includes in His Lord's Prayer: 'Forgive us our trespasses, as we forgive those who trespass against us'; Christ has given us the greatest weapon... that we must forgive. It is such a practical thing, to forgive. If we just forgive... then that person doesn't exist anymore... the person doesn't trouble us anymore... nor is he in our attention. Just to forgive is the simplest thing to do, and the highest thing to do, to get relief from the worldly or mental tortures that we get; Forgive everyone... even if they have harmed you... just forgive them... because by remembering that, you are miserable for nothing at all; At the Agnya chakra, where we forgive everyone... and at the back... where we have to say... 'if we have made any mistake... oh God forgive us'... these are the two sides of the Agnya chakra.

Christ stood for morality... and about him also in these modern times they are saying all kinds of filthy things... they cannot understand a character which is moral... to this extent we have gone... you do whatever you like as long as you go to church and confess, then you are alright... these are the absurdities of modern religions... every religion has problems... and the worst I feel, is... when you have the support of the world as your leader... then how can you tolerate such an immoral life... such immorality... when you follow the example of Christ - he is Shri Ganesha.

## Agnya Chakra - Aspect or Deity

Now at the Agnya where Christ resides... if your eyes are impure, full of lust and greed, then you are against Christ. If your eyes are clean and pure, then only you can enjoy the love of God... otherwise you cannot... and also the love of another Sahaja Yogi or Yogini you can only enjoy in completeness if your eyes are clean... just imagine... but if you have roving eyes, and all sorts of things I don't see how you can call yourself Christians... you cannot. Those who are following Christ have to have absolutely a moral life... that's a compulsion of the inner being on you... that you enjoy your morality... and above all your clean eyes. First of all see that you have pure love in your eyes. Now pure love... cannot have lust and greed in it... these 2 things have to drop out from your mind completely.

Buddha... the Enlightened One; Buddha comes from "Bodha" which means "to know"; Who was born at the same time as Christ, and Mahavira, and all 3 are at the same level in the Virata's forehead... who was a human being, but who achieved Godliness, as did also Mahavira; Buddha became very tired... and lay down under a Banyan tree... we call it the Ashwata... and spontaneous awakening of the Kundalini took place, and he got his Realisation... he felt the Cool Breeze and started talking about it. He thought that because he had given up everything that is why he had got it... it was a mistake I would say... or a misunderstanding.

Mahavira... a king who gave up everything, to become ascetic (sanyasi), and upon whom Jainism is founded. Who controls the whole of the left side; St Michael; Who has described Hell the best, where there are worms, mosquitoes etc. In England, William Blake is the same thing.
