

Antariksha

All the Universe. To go seeking all the stars etc. is of no avail - we have to go within, to go higher (860303)

The Vedas when they were written down they didn't talk of God or the Deities at all... but just about Brahmadeva throughout... and the mantras were like Bhur, Bhuvah, Swaha... 3 things. Now Bhu is actually the Mooladhara... is the earth according to them, the Mooladhara... then Bhuva is the one which is called as Antariksha... is the one which is all created... then Swaha is capacity to burn off... of the Agni (820402)
