

Ascetic

Any person who leads a life of asceticism of a severe type, like Vishwamitra, or Durwasa... these people become so hot tempered, that you cannot talk to them... they are very snappy... their language is very sharp (830209); In Sahaja Yoga, you are not allowed, at all, this asceticism... you have to be loving, affectionate, kind... and... 'disciplined' - I must say this... because when you are loving, you go out of bounds sometimes... because you have no discipline of Sahaja Yoga. Loving doesn't mean that you become like Romeo-Juliet... doesn't mean that - you must have your balance, through your discipline. If you have no discipline... you can never be a good Sahaja Yogi (971225); When you run away from something, you become an ascetic artificially... asceticism is within yourself... innate (920719)

A guru is not ascetic by nature... but he's so detached, that he's ascetic... he may be a king... or a beggar... or maybe a big personality... or just an ordinary person... but if he's a guru, then in every state, he's in complete balance... nothing can disturb him... and he can never go into imbalance (920719)
