

Australia

The greatest temptations that Australians have is that 'we must have a family' - in Sahaja Yoga we respect family very much, but not beyond the bigger family (881221); Is a very strong Sahaja Yogi country (881221), and is the Mooladhara of the Universe; Where the need is to learn to go deeper (820125)

If an Australian starts drinking, the only person who can compete with him is a Russian, and they can talk so irrelevantly... and the only people to beat them, if they shake your hand... are the Greeks (920209)
