

At the time of resurrection...

'Your hands will speak'

Shri Mataji tells us... 'So, how to go upward?'

"All the great Saints, and Incarnations, and Prophets have said that 'you have to be born again'... Christ has said it... Mohammed Saab has said 'At the time of resurrection, your hands will speak'... Jung has said that 'you have to become Collectively Conscious' - and so with Sahaja Yoga... the Kundalini rises... and takes us to our Yoga. Yoga means that the Kundalini, the power that is within us, which is of Pure Desire... should rise... & should meet the Divine... the All Pervading Power... which is doing all the living work (860224)

The fingers are connected to the different chakras (790616); All these seven centres are reflected in our fingers and our hands (790720); Mohammed said that 'your hands will speak', meaning that on your hands, on your finger tips you will feel your own defects, when the Judgement Time comes (871023); If the Sahaja Yogis try to do something wrong, then they know they are doing wrong on their finger tips... or we can ask them to get out of Sahaja Yoga... but that seems to be the worst punishment for Sahaja Yogis... they don't like... why... because they feel 'we are separated from Reality'... all the blessings of the Reality are lost to them (000423)

Ghee and Butter... can be rubbed onto the fingers and hands, to soothe them down, because the heat from the other people can make them dried up (830209)

These fingers 1, 2, 3, 4, 5 (the 5 fingers - Ed) 6 (the heel of the palm - Ed) and 7 (the centre of the palm - Ed)... the 7 centres that are within you, tell you... which one is catching. Mohammed has said... your hands will tell you... they will speak... at the time of Resurrection your fingers tell you what is wrong with you... and what is wrong with another person... and that is Absolute (870500) cont'd..

Now when you find that a person has a cancer... on the hands you find that all these fingers (all fingers of left hand - Ed) are burning... sometimes even these fingers (fingers on both the hands - Ed) start burning. If you put your hands toward a person who is suffering from cancer, all your fingers start burning (left and right hands - Ed)... and you start burning here and here (indicating the area on the outer part of the palms, at the base of all fingers, on both left and right hands - Ed). Also you may start feeling a throbbing here (indicating the solar plexus area - Ed)... of course throbbing doesn't mean that a person has cancer, but it's one of the symptoms (821008)

At the time of your Kiyama [pron: Keeyama] ... your hands will speak... at the time of Kiyama... not the Kayama... these 2 words are confused in the minds of people... many people do not understand the difference. One is when the Resurrection Time comes in... Kiyama... and the other is when your destruction comes in... Kayama (000423)

Kiyama - The name in the Koran, for the 'Resurrection Time', also known as the 'Last Judgement' in the Bible (MME; 000902); The Judgement Time (871023), described by Mohammed, who said 'at the time of Kiyama [pron: Keeyama] the Last Judgement... your hands will speak', 'your hands will give witness against you', meaning that on your finger tips, you will feel your own defects... (871023; 821008; 980705)

The few words at the start of each chapter, which are not understood, are Bija mantras (830202); In the Koran it is written... that Mohammed said... 'at the time of Kiyama, the Last Judgement, your hands will speak' (830129; 980705)... which is the 'Time of Resurrection' in the Koran, and the 'Last Judgement' in the Bible (821008); In a chapter called 'SY' it says... 'you will not recognise the one who He will send... you will not believe' (891203)"
