Gaffes part 6 - a guide to correct understanding of various Sahaja Yoga Topics

Recognition - They have to be aware of their Realisation... that is a compulsion. If we recognise, then we are protected.

Now even the men have to be more Motherly - then only he becomes a great man.

Women competing with Men - a nonsense it is - you have to be a woman to begin with

Mahamaya - The Great Illusion - do not worry about your reputation... just go full speed into any direction, knowing one thing... that you are my child, and that I am Adi Shakti... everything that looks horrible will become better.

Protection - All this protection is given to you because you are Seekers of truth!

Kiyama or The Last Judgement - we all are going to be judged, through Sahaja Yoga

So to continue with this part 6, we have 6 more items, & right at the top of this list is "**Recognition**". Without recognition you cannot see the play, without seeing the play you cannot have that confidence. Without confidence you cannot become Gurus, & so cannot help others, & if you cannot help others, you are not going to be happy.

So this is what you all have to do, this is what you all wanted to be. So be confident, be joyous, be happy.

Apologies to all the 'now quite many' newer Sahaja Yogis', who have quite unwittingly taken on board all this misinformation, without realising its proper significance. We will be attempting to rectify the situation with this report.

This corrigendum is aimed at the host of newbies coming to Sahaja Yoga globally each and every day and week throughout the year, for each and every year in the calendar. If there is no attempt to oversee and where necessary correct the multitude of misconceptions that are brought by each and every-one who comes afresh to our Collective, from a whole range of unlikely sources, then often a whole host of quite bizarre and sometimes quite weird ideas, do propagate, and then the Huge Advantage of being tutored by the most highly placed of Authorities, no other than The Adi Shakti Herself would be lost to all who sincerely want to rise to the topmost of positions that you can possibly imagine, with all the rewards that will accrue too.

If we pick up on these errors & rectify them as a matter of some urgency, we stand a good chance of fully recovering the situation, and fully pleasing Shri Mataji.

(Look to the top right corner of the **Pitfalls** page for the links to the **All-Time Gaffes/Howlers**, and to the top left for a link to the autobiographical '**Sprinkler story**').

[They are also shown elsewhere but mainly behind the Main "**Index**" link in the '**Quick Access Links**' bar, then look beneath "**RESEARCH**" and then also behind the **ABC (for newcomers)** link & then look towards the top of the page]

It is perhaps best to start off with the 'Quick Access Links' bar that is located near the bottom of the HomePage
