Gaffes - part 7 - a guide to a correct understanding of various Sahaja Yoga Topics

Collectivity - Only in collectivity maturity starts. Is a living process. The greatest law of Sahaja Yoga is that it is a Collective Happening, the work of Shri Adi Shakti.

Sahaja Yogis - Are there, for the Adi Shakti to reveal the Truth to the whole world

Ascent - Once you ascend, the whole Cosmos can look after your problems. Your Kundalini has all the powers to make you the highest of highest. There are no limits

Vision - It is a very big vision I have... & that vision can be done through you people.

Complimentary - in Sahaja Yoga, two opposites must meet... to be good Sahaja Yogis

Shri Adi Shakti - The Devi, the Goddess, Who integrates and unites everything

Correction - Now we need to correct the problems that we all have discovered

Now no More for now - & that is a promise!

So to continue with this new and possibly the last part, No 7, we have 7 more items, and right at the top of this list is "**Collectivity**", which Collectivity is the work of Shri Adi Shakti only, because it exists at Sahastrara. If we cannot be collective, or enjoy collectivity, then there is something wrong with us.

Apologies to all the 'now quite many' newer Sahaja Yogis', who have quite unwittingly taken on board all this misinformation, without realising its proper significance. We will be attempting to rectify the situation with this report.

This corrigendum is aimed at the host of newbies coming to Sahaja Yoga globally each and every day and week throughout the year, for each and every year in the calendar. If there is no attempt to oversee and where necessary correct the multitude of misconceptions that are brought by each and every-one who comes afresh to our Collective, from a whole range of unlikely sources, then often a whole host of quite bizarre and sometimes quite weird ideas, do propagate, and then the Huge Advantage of being tutored by the most highly placed of Authorities, no other than The Adi Shakti Herself would be lost to all who sincerely want to rise to the topmost of positions that you can possibly imagine, with all the rewards that will accrue too.

If we pick up on these errors & rectify them as a matter of some urgency, we stand a good chance of fully recovering the situation, and fully pleasing Shri Mataji.

(Look to the top right corner of the **Pitfalls** page for the links to the **All-Time Gaffes/Howlers**, and to the top left for a link to the autobiographical '**Sprinkler story**'.

[They are also shown elsewhere but mainly behind the Main "**Index**" link in the '**Quick Access Links**' bar, then look beneath "**RESEARCH**" and then also behind the **ABC (for newcomers)** link & then look towards the top of the page)

It is perhaps best to start off with the 'Quick Access Links' bar that is located near the bottom of the HomePage
