

Universal Personalities

One has to understand that now we have come out of all man-made things... like man-made countries - we do not belong to America... or to England... or to India... we belong to the Kingdom of God. In the Universal Country we have come... now we have become Universal Beings... and as that we don't have any of these dividing factors, which divide human beings... such as race, or any higher or lower caste... this is no more there. We have entered into the Universal Pure Religion, and we should be proud of it; We have certain powers... and these powers increase, when we humble down - they do not increase with arrogance... with arrogance one can only become stupid... that's the only end of arrogance. So with humility, one should know that now you belong to Sahaja Culture, and Sahaja Culture is that of humility... if you are not humble, then you have not yet achieved your Sahaja Yoga (880921); You are all universal personalities... you have to be that great. You don't belong to any country - just to make it convenient you see, Shri Mataji uses the name of the country (881221)
