

Calibre

You have to be of a 'calibre' to be a Sahaja Yogi... I do not want beggars to be my children (830209); For Puja, we should not have people who are not at least in Nirvichara... means if they still think that Sahaja Yoga... will not suit me, and all that... we don't want such mediocres... they should not come... nothing will work out with them... absolutely. If they have to come to the Puja... they must know that... you have to be of a calibre... otherwise please don't come (850504)
