

Chancellor

In the Sahaja Yoga system, if we say that Ganesha is the one who gives us... he's the Aadyaksha, means he is the... I call him as the Chancellor of the University... he is the one who gives our degree to us... now you have crossed this chakra... that chakra... that chakra...and he helps us to know that what state we are in. So Ganesha gives us say Nirvichara Samadhi which can call it as Thoughtless Awareness... and Nirvikalpa Samadhi... he gives all that... and also he gives us Joy... but the understanding that this is good, that this is for our benevolence, the mental understanding comes to us from Shri Hanumana... and it's very important for western people... because it has to be mental... otherwise they won't understand. If it is not mental they cannot come into Abstract... it has to be mental... and so the mental understanding of whether it is good or bad is given to us by Shri Hanumana (900831)
