

Radio

At the beginning of my lecture... tell the listeners to put their hands towards the radio... they might feel the cool breeze. If they don't feel it... tell them to put the right hand first, til they feel the cool breeze, and left hand up... as if ventilating out... and then the left hand towards the radio, and the right hand up - it might work out... because it has worked in Hong Kong (831001)
