In India, nobody thinks 'I am right' - nobody thinks like that. Once you start thinking 'I am right, and that person is wrong, I am doing alright, he's wrong'... finished. The worst thing that can happen to human beings is ego... the worst thing. 'Possession' is better... at least you feel the pinch of it... but ego you never feel the pinch... you never feel there is ego in you... and you feel you are the most correct person (800927)
