

# Rudeness

Some people think it is smart to speak in a rude manner, or it is very intelligent to be sharp on people... but no-one likes this kind of personality... maybe on a TV, people like to see you... but not as a companion or a friend. To speak in a very sweet manner is a sign of good breeding, of a fear of God. Those who fear God, will never speak rudely to another person, because in the other person also, the same Spirit is shining (870114)

Now you have to love all the seekers of the world... they have done wrong... they have done all kinds of ego trips... they have done all kinds of mistakes... but your Mother loves them... and you have to love them. If they have to be corrected, I'll do that... you just don't do that way that they feel hurt. So we have a Sahaja Yoga tradition also in which when we speak to each other, we have that Sankoch within us of Shri Ram... and if you don't have that Sankoch you get right heart... and that right heart is a very dangerous thing in the country like England where the climate is so bad... because it gives you the horrible thing called Asthma. You get Asthma if your right heart is caught... not necessarily that asthma will come only from right heart... can also come from centre heart... but if you get right heart, you definitely get asthma. So this Sankoch one has to learn... the Mariadas... means the boundaries of your relationships. Shri Rama is known for his boundaries... he doesn't cross the limit... in everything... discretion of the heart should be there. Now there is no word for discretion of the heart in English language... which is Mariada... discretion of the heart is... how far to go (820402); Not to say something in such a way that you touch the wrong side of a person... is Sankoch. The delicacy of understanding. You see... this arrogance and rudeness comes to us because we have no Sankoch. That Sankoch, that understanding comes if you love someone and understand (820402)
