

Yoga Vasista

A book written some 8000 years back, at Shri Rama's time, when celibacy was maintained to the extent that everyone was regarded as either brother or sister, and marriage was never between those of the same ghotra. In those days they led a righteous life. The Yoga Vasista was meant for those days, not for today, where the crisis is complete, time is very limited, and the emergency is there (830302)
